OVERVIEW Priad Enterprises Limited is a leading consultancy firm that specializes in mineral title management and mining advisory services for the Nigerian mining sector.

With a team of seasoned professionals, we offer a diverse range of services designed to assist mining companies, exploration entities, and investors in navigating the mining industry's complex and dynamic landscape

Mission

To provide exceptional value to our clients through comprehensive, ethical, and sustainable mineral title management and mining consultancy services, thereby increasing their operational efficiency and success.

Vision

To be the leading consultancy firm in Nigeria's mining sector, recognized for our dedication to excellence, innovation, and sustainable practices.

Our Services

Title Due Diligence

We ensure complete compliance with legal standards while identifying any encumbrances on mineral titles.

Our thorough due diligence process protects our clients' interests while promoting smooth operations.

Land Access Negotiations

Our expertise in negotiating with landowners, indigenous communities, and government agencies ensures that our clients obtain the necessary land access for their mining operations, fostering harmonious and mutually beneficial relationships.

Compliance Monitoring

We provide continuous support to our clients to ensure regulatory compliance.

Our proactive approach ensures adherence to the evolving regulations, reduces risks, and avoids potential legal issues.

Regulatory Reporting Streamlining the intricate processes of regulatory reporting, we assist our clients in efficiently managing their obligations to the authorities. Our meticulous reporting services minimize administrative burdens and guarantee timely submissions.

Mineral Licensing And Permitting We facilitate the acquisition and management of various permits, Licences and Leases. Our expertise ensures a smooth and efficient permitting process.

Communicating Engagement Fostering positive and sustainable relationships with local communities and stakeholders, we leverage our extensive expertise in community engagement and responsible mining practices. Our approach promotes social license to operate and long-term project success.

Environmental Impact Assessments We are committed to environmental sustainability. Our comprehensive environmental impact assessments ensure that our clients' operations adhere to best practices, minimizing ecological footprints and promoting responsible mining activities.

Expertise And Experience Our team is made up of seasoned professionals with a wealth of expertise in mining consulting and mineral title management.

Client-Centric Approach We tailor our services to meet the unique needs and aspirations of each client, ensuring optimal outcomes.

Ethical Standards We uphold the highest ethical standards in all our operations, fostering trust and integrity in our client relationships.

Sustainable Solutions Our commitment to sustainability ensures that our services contribute to the long-term success and environmental stewardship of our clients' projects.
